

YOUR MISSION: MASTER TOPIK WRITING TASK 53

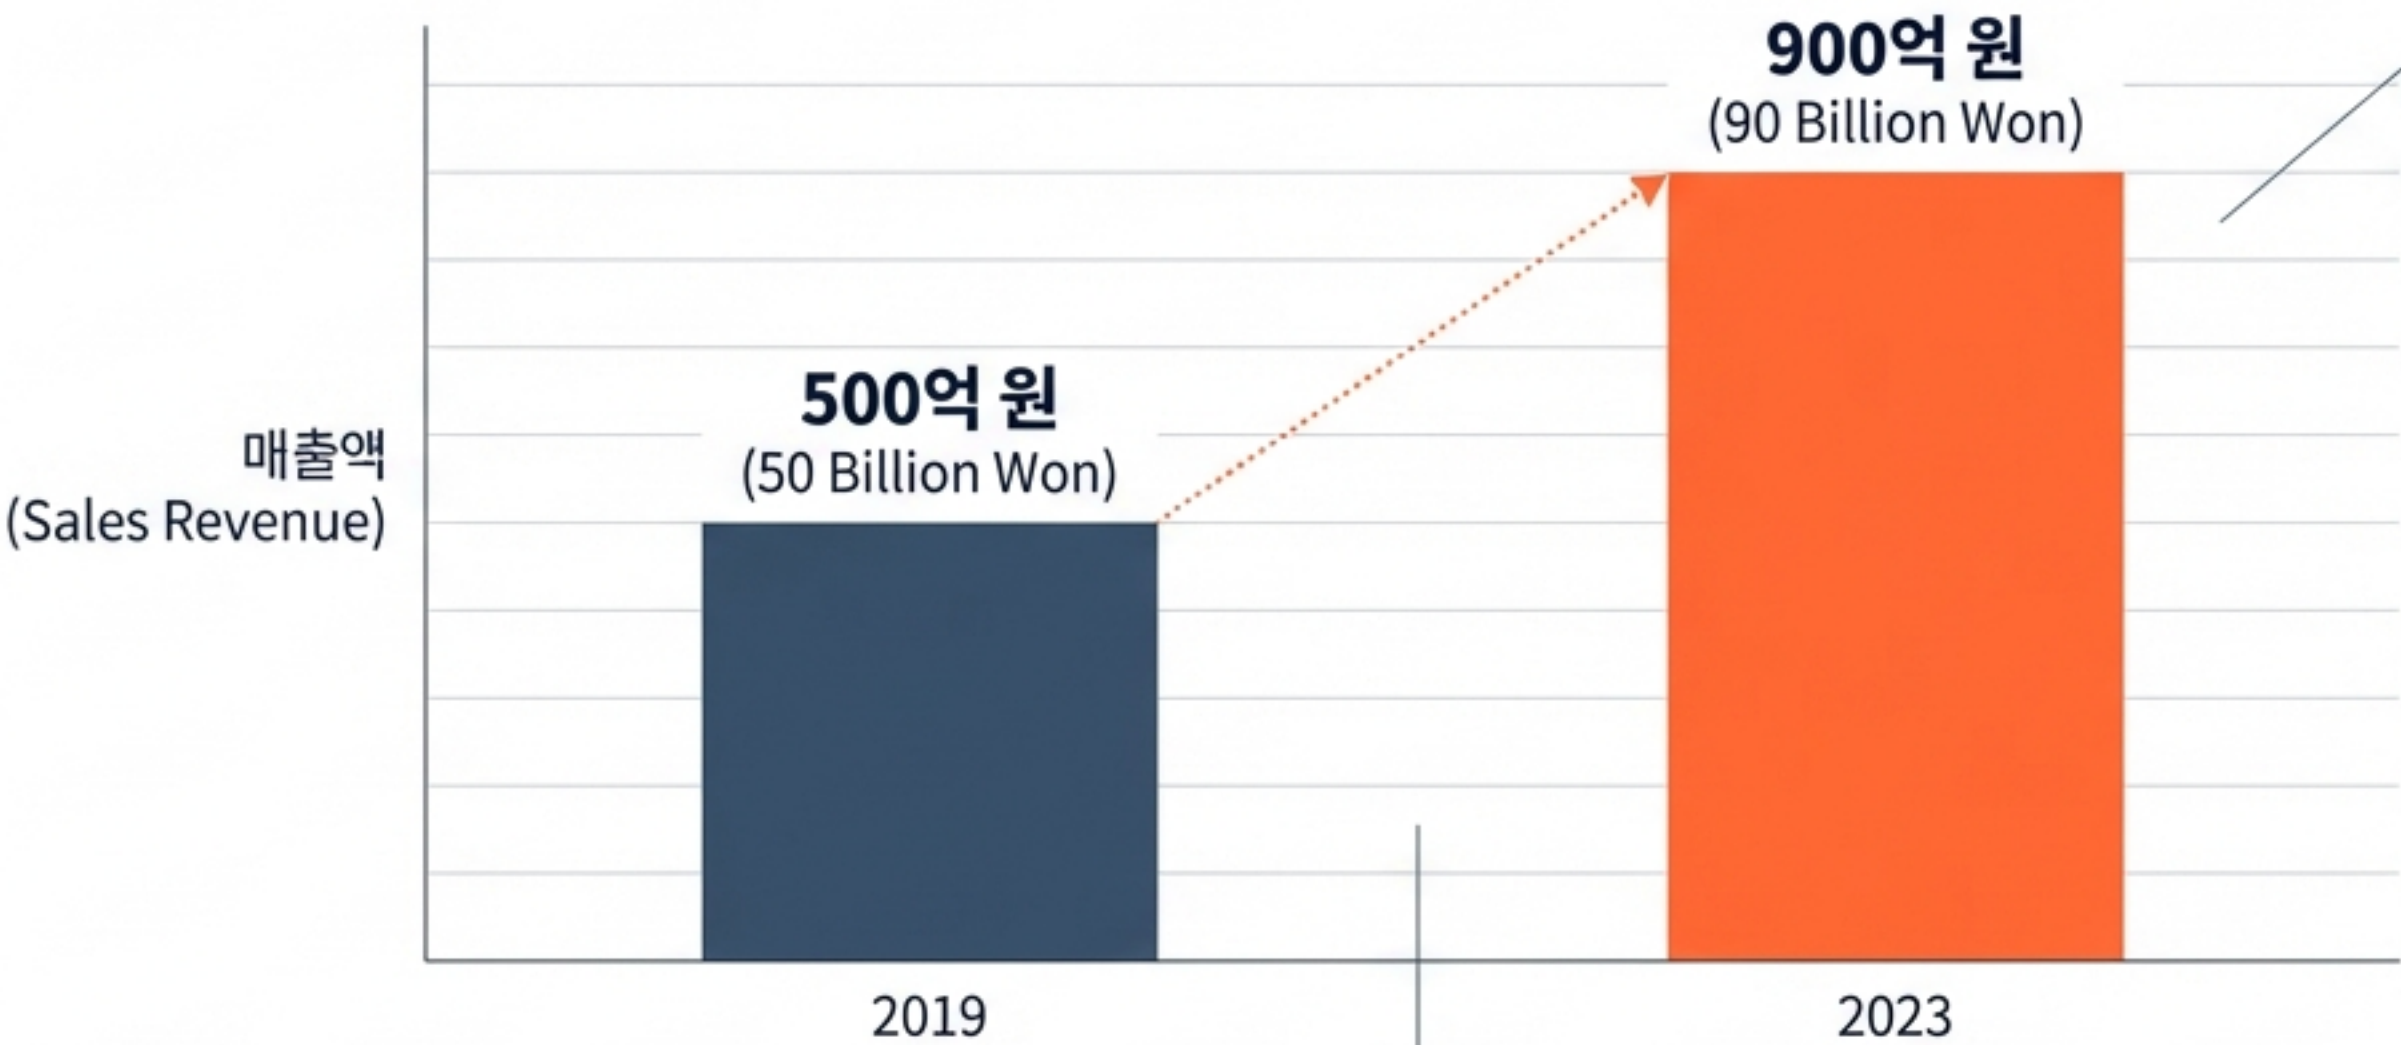

A Strategic Briefing on Analyzing Economic Data

This guide will equip you with the **essential intelligence, advanced techniques**, and a **proven formula** to deconstruct and describe data trends effectively. Your **objective**: a perfect **score** on the graph analysis task.

Intelligence Report: The Central Case Study

온라인 쇼핑 매출액 변화 (Changes in Online Shopping Sales)

The Data: A significant increase in online shopping revenue over four years.

The 'Why': Key contributing factors identified as 저렴한 가격 (Low Price) and 편리함 (Convenience).

Field Terminology: Essential Economic Vocabulary

Concepts & Entities

경제

(Gyeong-je)
Economy

소비자

(So-bi-ja)
Consumer

매출액

(Mae-chul-aek)
Sales figures / Revenue

Actions & Attributes

구입하다 / 구매하다

(Gu-ip-ha-da / Gu-mae-ha-da)
To purchase / To buy

판매하다

(Pan-mae-ha-da)
To sell

선호하다

(Seon-ho-ha-da)
To prefer

편리하다

(Pyeon-ri-ha-da)
To be convenient

저렴하다

(Jeo-ryeom-ha-da)
To be cheap / affordable

Advanced Technique 01: Comparative Analysis with ~보다

To make a direct comparison between two subjects. Essential for contrasting data points or entities.

백화점보다 온라인 쇼핑이 더 저렴하다

(Baek-hwa-jeom-bo-da on-la-in syoping-i deo jeo-ryeom-ha-da.)

Breakdown

- 백화점보다: Than department stores
- 온라인 쇼핑이: Online shopping
- 더 저렴하다: is cheaper.

Analyst's Note: Use this to establish which trend is stronger or which entity is preferred.

Advanced Technique 02:

Quantifying Impact with ~에 달하다

To state that a number has reached a certain high point. Used to add emphasis to significant statistics.

매출액이 1억 원에 달했다.

(Mae-chul-aek-i il-eok won-e dal-haet-da.)

Breakdown

■ 매출액이: The sales figure

■ 1억 원에 달했다: reached 100 million won.

Analyst's Note: Deploy this technique to highlight peak figures and impress upon the reader the scale of the numbers involved.

Field Simulation: Deconstructing a Market Analysis

Korean Text Source Sans Pro Bold

최근 **소비자**들은 백화점**보다** 온라인 쇼핑을 **선호합니다**. 온라인 쇼핑은 가격이 **저렴하고 편리하기** 때문입니다. 그래서 온라인 쇼핑 이용자가 크게 증가하고 있습니다.

English Translation Source Sans Pro Bold

Recently, **consumers prefer** online shopping **over** department stores. This is because online shopping is **affordable** and **convenient**. Therefore, the number of online shopping users is increasing significantly.

Key Takeaway: Notice how the vocabulary (소비자, 선호하다) and grammar (~보다) combine to explain the *reason* behind a trend, a core skill for Task 53.

The Strategic Blueprint: The 3-Step Formula for Task 53

01

The Introduction

Objective: State the source and topic of the data.

Formula: [Surveying Body]에서 [Topic of Graph]에 대해 조사하였다.

02

The Body

Objective: Describe the key change in the data.

Formula: [Data Topic]을 살펴보면, [Year] [Value]에서 [Year] [Value](으)로 [Verb].

03

The Conclusion

Objective: Explain the reason(s) for the change.

Formula: 그 원인은 [Reason 1]고 [Reason 2]기 때문이다.

Blueprint Execution: Step 1 - The Introduction

Objective: Set the stage by identifying the source and subject of the analysis.

💬 Model Sentence (Neue Haas Grotesk Display Pro Bold)

경제 연구소에서 온라인 쇼핑 매출액 변화에 대해 조사하였다.

(Gyeong-je yeon-gu-so-e-seo on-la-in syoping mae-chul-aek byeon-hwa-e dae-hae jo-sa-ha-yeot-da.)

🔍 Deconstruction (Neue Haas Grotesk Display Pro Bold)

- 경제 연구소에서: At the Economic Research Institute [Source]
- 온라인 쇼핑 매출액 변화에 대해: about the change in online shopping sales [Topic]
- 조사하였다: it was surveyed [Action]

🔊 **Takeaway:** This is a fixed phrase. Memorize it and adapt the [Source] and [Topic] for any Task 53.

Blueprint Execution: Step 2 - Describing the Data

Objective: Present the core finding from the graph, showing the change from the starting point to the end point.

Model Sentence

매출액을 살펴보면, 2019년 500억 원에서 2023년 900억 원으로 급증하였다.

(Mae-chul-aek-eul sal-pyeo-bo-myeon, 2019-nyeon o-baek-eok won-e-seo 2023-nyeon gu-baek-eok won-eu-ro geup-jeung-ha-yeot-da.)

Deconstruction

- **매출액을 살펴보면:** Looking at the sales figures,
- **2019년 500억 원에서:** from 500 billion won in 2019
- **2023년 900억 원으로:** to 900 billion won in 2023
- **급증하였다:** it increased rapidly.

Blueprint Execution: Step 3 – Explaining the Cause

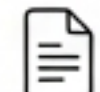

Objective: Conclude the analysis by linking the observed data trend to its underlying causes.

Model Sentence

그 원인은 가격이 저렴하고 쇼핑이 편리하기 때문이다.

(Geu won-in-eun ga-gyeok-i jeo-ryeom-ha-go syoping-i pyeon-ri-ha-gi ttae-mun-i-da.)

Deconstruction

-  **그 원인은:** The reason is
-  **가격이 저렴하고:** the price is cheap and
-  **쇼핑이 편리하기 때문이다:** shopping is convenient.

Takeaway: This sentence structure uses the `~기 때문이다` (because) grammar to cleanly state the reasons provided in the prompt.

The Complete Transmission: Final Model Answer

[Introduction] 경제 연구소에서 온라인 쇼핑 매출액 변화에 대해 조사하였다.

[Body] 매출액을 살펴보면, 2019년 500억 원에서 2023년 900억 원으로 급증하였다.

[Conclusion] 그 원인은 가격이 저렴하고 쇼핑이 편리하기 때문이다.

Translation:

The Economic Research Institute surveyed the change in online shopping sales figures. Looking at the sales figures, they increased rapidly from 50 billion won in 2019 to 90 billion won in 2023. The reason is that prices are cheap and shopping is convenient.

The Expert Maneuver: From Good to Great

To score higher, choose your verbs precisely. When describing a large, rapid increase like the one in our case study (500 to 900), elevate your language.

Standard Choice

증가하다

(Jeung-ga-ha-da)

*Meaning: to increase

Expert Choice

급증하다

(Geup-jeung-ha-da)

*Meaning: to increase rapidly / to surge

Mission Debrief: Using powerful, specific vocabulary like 급증하다 demonstrates a higher level of language command and analytical precision. Mission complete.
