

Task 53

Problem Type

Writing Formula

Describe the change and its cause based on the given data.

You can understand what Task 53 asks you to explain.

Practice Tip

Do not write a long opinion. Focus on the data, change, and cause.

Korean Example

최근 배달 서비스 이용이 증가하면서 생활 방식에 변화가 나타나고 있다.

Meaning Delivery service use is increasing and changing daily life.

Task 53

Data Intro

You can introduce the survey topic or data source.

Writing Formula

Use this pattern to say that the survey results are as follows.

Practice Tip

Before writing numbers, introduce what the data is about.

Korean Example

배달 서비스 이용 변화에 대한 설문 조사 결과를 보면 다음과 같다.

Meaning The survey results about changes in delivery service use are as follows.

Task 53

Compare...

You can compare exact numbers in the data.

Writing Formula

A changed from B to C.

Practice Tip

Write the year and percentage accurately.

Korean Example

배달 서비스를 주 3회 이상 이용한다고 응답한 비율은 2019년 18%에서 2025년 42%로 증가하였다.

Meaning

The share of people using delivery service three or more times a week increased from 18% in 2019 to 42% in 2025.

Task 53

Increase Pattern

Writing Formula

Use this pattern when a value goes up from one number to another.

You can describe an item that increased.

Practice Tip

Choose one clear increase verb such as increased, rose, or became higher.

Korean Example

주 3회 이상 배달 서비스를 이용하는 비율은 18%에서 42%로 증가하였다.

Meaning The rate of using delivery service three or more times a week increased from 18% to 42%.

Task 53

Decrease Pattern

Writing Formula

Use this pattern when a value goes down from one number to another.

You can describe an item that decreased.

Practice Tip

Use a decrease expression only when the direction is clearly downward.

Korean Example

배달 서비스를 거의 이용하지 않는다고 응답한 비율은 43%에서 25%로 감소하였다.

Meaning The share of people who almost never use delivery service decreased from 43% to 25%.

Task 53

Contrast Pattern

Writing Formula

Use this pattern when two data points move in opposite directions.

You can contrast increase and decrease in one sentence.

Practice Tip

The contrast pattern is useful when the graph has opposite trends.

Korean Example

주 3회 이상 이용하는 비율은 증가한 반면, 거의 이용하지 않는 비율은 감소하였다.

Meaning The frequent-use rate increased, while the almost-never-use rate decreased.

Task 53

Cause Analysis

Writing Formula

Use this pattern to connect the data change to a likely cause.

You can briefly explain the cause of a data change.

Practice Tip

Keep the cause short and directly connected to the data.

Korean Example

이러한 변화의 원인은 모바일 주문 환경의 발달과 1인 가구 증가 때문이라고 볼 수 있다.

Meaning The main causes are the growth of mobile ordering and the increase in single-person households.

Task 53

Model Answer · ...

You can combine sentence parts into a complete Task 53 answer.

Writing Formula

Follow the order: phenomenon, data intro, number comparison, cause, and short conclusion.

Practice Tip

Do not memorize only one answer. Rebuild the answer by following the structure.

Korean Example

최근 배달 서비스 이용이 증가하고 있다. 조사 결과에 따르면 주 3회 이상 이용하는 비율은 2019년 18%에서 2025년 42%로 증가한 반면, 거의 이용하지 않는 비율은 43%에서 25%로 감소하였다.

Task 54

Issue Intro

You can write an opening sentence for a social issue.

Writing Formula

Use this pattern to introduce a recent social phenomenon broadly.

Practice Tip

The first Task 54 sentence should introduce the issue, not the solution.

Korean Example

최근 배달 서비스가 일상생활의 중요한 소비 방식으로 자리 잡고 있다.

Meaning Delivery service has become an important way of daily consumption.

Task 54

Problem...

You can raise a problem from the social phenomenon.

Writing Formula

Use this pattern to show that a problem also appears.

Practice Tip

The problem statement should lead naturally to causes and solutions.

Korean Example

그러나 배달비 부담과 포장 쓰레기 증가라는 문제도 나타나고 있다.

Meaning However, delivery fees and packaging waste are also becoming problems.

Task 54

Cause 1

You can explain the first cause.

Writing Formula

Use this pattern to state the main cause of the phenomenon.

Practice Tip

Prepare about two cause sentences for a Task 54 essay.

Korean Example

이러한 현상의 원인은 모바일 주문 환경의 발달 때문이다.

Task 54

Cause 2

You can add a second cause to expand the paragraph.

Writing Formula

Use this pattern to add another important cause.

Practice Tip

The second cause should not repeat the first cause.

Korean Example

또한 1인 가구 증가와 바쁜 생활 방식도 중요한 원인이라고 볼 수 있다.

Meaning Another important cause is the increase in single-person households and busy lifestyles.

Task 54

Effect 1

You can predict a positive result.

Writing Formula

Use this pattern to describe a positive change caused by the issue.

Practice Tip

Prepare both positive and negative effects for balance.

Korean Example

그 결과 사람들은 시간을 절약하고 더 편리하게 식사를 해결할 수 있다.

Meaning As a result, people can save time and eat more conveniently.

Task 54

Effect 2

You can explain a negative result or deeper problem.

Writing Formula

Use this pattern when a problem may become more serious.

Practice Tip

A negative effect sentence should connect to the solution paragraph.

Korean Example

반면 배달비 부담이 커지고 포장 쓰레기 문제가 심해질 수 있다.

Meaning

On the other hand, delivery fees and packaging waste may become more serious.
